ABOUT DHANAK

Delhi Public School, Whitefield is proud to present its annual art festival, Dhanak, which is making an offline comeback.

Get excited, as we give students of all ages a chance to express themselves through the medium of art & creativity.

This year's theme is Sustainable Design, i.e. design that considers not only the consumer, but also our environment. It focuses on using creativity and innovation in a way that reduces the negative impact of our actions on our planet. To contribute towards this rising movement, all events have been planned for upcycling and integrating reusable waste materials.

Dhanak also aims to help artisans and entrepreneurs who were negatively affected by the pandemic. Our final day gives them a platform to showcase a pop-up exhibition and provide small businesses, freelancers and artists with exposure and encouragement to help them grow.

Rules and Guidelines

1. The registration fees for Dhanak 2022 is 200₹ per participant. The last date for registration is 16th August, 2022. Each school can send a maximum of 2 entries per event.
2. Participants must be in school uniform, unless specified for their event. Participants must wear their School ID at all times.
3. Use of mobile or internet is prohibited, unless specified for the event.
4. By participating, the contestants accept these rules, and are giving the organising team permission to use their art work/designs for promotional purpose.
5. Failure to abide by the above rules may result in disqualification.
6. Decision of the committee/ judging panel is final and no communication regarding this will be entertained.
